

## **MICC Mission Statement**

- A.** *Promote interest in numismatics through education of our members.*
- B.** *Encourage members to conduct research on history and geography as it relates to numismatics.*
- C.** *Provide a forum for discussion and exchange of numismatic knowledge through regular meetings, web forum and a club newsletter.*
- D.** *Support the hobby of numismatics and cultivate social relationships among its members.*
- E.** *Cultivate and encourage young members to develop greater interest in numismatics.*

Many people have a few coins of interest in their homes or given to them by family or friends, usually tucked away in a box.

Or perhaps a collector is only interested in coins that depict animals; these could come from many different countries.

Still another area of collection is that of tokens, those special coins or plastic disks used for events as souvenirs.

Meeting with others who are interested in the same hobby is an excellent way to learn about your collection.

You will also learn how to store your collection to best protect them from losing value due to mishandling.

**Numismatics** is the study or collection of currency, including coins, tokens, paper money, and related objects

**Numismatists** are often characterized as students or collectors of coins. They collect many types of coins, medals or bank notes.

## **Members Benefits**

- Receive a monthly copy of MICC Numismatic Journal.
- A monthly auction list and the ability to bid on items.
- Receive a User name and password to access to the web forum.

## **Have we sparked your interest?**

Check out our website or drop in at one of our monthly meetings and consider joining us, you would always be welcome.

## Why Get Involved ...?

The MICC is very fortunate to have a wide range of experienced members within its club. We welcome questions related to any form of numismatics ranging from Canadian or world banknotes, Canadian or world coins, tokens, medallions, wooden currency, to the displaying of coins and paper money.

Members can point you in the right direction when looking for information on your coin or paper money.

To obtain answers to your questions, we welcome you to attend one of our meetings and meet a room full of friendly collectors who would be all too happy to answer all your questions in person.

MICC Membership dues are \$15.00/year

Out of area memberships are always welcomed.

*Many members come to the meetings early and enjoy a meal at the ABC restaurant.*

*This is an opportunity to visit, learn from one another and to buy, sell and trade items from each other.*
